## Accommodation:

We are a small business. We have 2 rooms that we use to provide accommodation for guests. There is a twin room and a double room. There is a bathroom and toilet that is set apart for guest use, this is shared by the two rooms. Guests are more than welcome to relax in our lounge or sit on the terrace as much as they wish. For us the business has three main functions. It helps us to make ends meet, provides inexpensive accommodation in a pleasant environment for believers from outside the Land and gives an opportunity to help build bridges between those from outside Israel with the Body here.

## Pricing:

Price for the Double Room for a couple is NIS 290 per night. Price for a bed in the Twin Room is NIS 150. When demand is high a single individual may be asked (usually, but not always, on booking) if they are willing to share the Twin Room with someone else (obviously of the same sex). If they are not prepared to do so, at our discretion we may request them to pay the price for both beds. When demand is not present, price for a single occupancy of the Twin or Double Room will be just NIS 150.

## Food:

Breakfast will vary depending on the season, but is usually composed of at least the following:

A Fresh Fruit Salad Composed Of Seasonal Fruits.

Cereals

Breads, Toast,  
Cheeses, Jams and Preserves.  
Israeli Style Salad  
Eggs  
Yoghurts  
Tea, Coffee etc

If we are eating in on Erev Shabbat, at our discretion if circumstances permit, we often invite our guests to join us at no charge.

#### Facilities:

We only routinely provide breakfast. There are however many delightful places to eat in town, only a short walk away, but guests are welcome to some space in the refrigerator to store perishable food they have purchased or to use the kitchen to prepare themselves a meal. Eventually we hope to provide a second kitchen area dedicated to guest use.

We are not a hotel and do not as such provide a full laundry service, but we can wash and dry clothes at NIS 40 per full load.

Internet Access is available *gratis* to anyone who has a laptop or netbook with wireless support.

The building is equipped with a lift (elevator) for easy access to our top floor apartment. There is usually parking on the street directly outside or just around the corner.

We are not equipped to cater for the severely physically handicapped or disabled. (Those who would need a disabled toilet, or wheelchair access for example.), and our vehicle is a regular car that has no special equipment for anyone with mobility issues. In regard to other kinds of disabilities, we would need to know all the details before accepting a booking. *Please understand that we cannot provide an entertainment, care or travel service for individuals who cannot leave the building or travel by themselves, because of a disability.*

#### How To Get Here:

Discount direct flights to Tel Aviv from major UK and European airports are available from [www.jet2.com](http://www.jet2.com) and can be booked over the internet. A clean (and inexpensive) modern train goes directly from the Airport to Nahariya in just over 2 hours. Collection from Nahariya station can be arranged if needed. The railway also connects to Tel-Aviv, Jerusalem and the South making some excursions possible even without a car.

Escape the miserable English weather and come and and sample our lovely sunshine. Enjoy a good nights' sleep in a clean comfortable room and in the morning tuck into a full and hearty breakfast on our roof terrace. Our penthouse is situated about 5 minutes walk from the very beautiful main beach area, which is ideal for relaxing and swimming.

*When other commitments permit, Mini-Tours, meetings with Israeli Jewish and Arab believers and trips to biblical sites of interest can also be arranged for those interested. Nahariya is the gateway to the whole of the beautiful Galilee area, so hiring a car here in Nahariya and touring around is also another good way to see the area. Please do not arrive expecting a regular tour service such things are discretionary as they have to be fitted round our other work.*

We look forward to seeing you in Israel soon. Please book early to avoid the rush!
